

17 The Old Distillery, Dingwall, Ross & Cromarty, IV15 9XE

Offers Over £98,000

Full Description

About Property

Local amenities in Dingwall include a variety of shops on the High Street , supermarkets, Post Office, cafes, restaurants, hotels and a leisure centre with swimming pool. Primary and Secondary schooling is available in the town. The Old Distillery was converted and extended in the mid 1990's and divided into 24 flats over three floors. Situated on the NC500 route, Dingwall offers easy access to explore the highlands, and an easy commute through to Inverness.

The property is situated in a quiet elevated position on the outskirts of Dingwall with magnificent views across the inner Cromarty Firth. The flats are a short walk to the town centre and to rail and bus links to Inverness and the North. There is ample parking on site. Number 17 is a spacious flat with 2 bedrooms and a good sized lounge area opening onto the kitchen / dining area. Now in need of modernisation, it represents an ideal

purchase for first time buyers or as a rental/let opportunity.

Directions: From Inverness, take the A9 north across the Kessock Bridge. At the town round-about, take the second exit signposted to Dingwall/Ullapool and continue on the A835 to next roundabout. Take the last exit onto the A862 into Dingwall. Just after Dingwall Auction Mart, take a left and continue up the hill until you reach the old distillery.
